Frequently asked questions

Do I need to answer any health questions to enroll?

Yes, if you request an initial amount higher than the Guaranteed Issue amount or if you want to increase coverage in excess of one increment annually. To answer health questions, please fill out our Evidence of Insurability application. Health questions must be approved by Sun Life before coverage takes effect. Please see your Certificate for details.

Can I increase my coverage at a later date?

Yes. You may increase your coverage by one increment amount annually, without having to answer health questions, even if the increase means that your coverage exceeds the Guaranteed Issue amount. Your benefits administrator can advise you on how to increase coverage annually. The maximum benefit amount still applies.

Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue group coverage when your employment terminates. Your employer can advise you about your options.

Can I access my life insurance if I become terminally ill?

You may apply to receive a portion of your life insurance to help cover medical and living expenses. This is called an "Accelerated Benefit" and there are some important things to know about it, including that it is not long-term-care insurance, it may be taxable and it may affect your eligibility for public assistance programs. It will also reduce the total amount of the life insurance payment we pay to your beneficiary(ies).

What happens if I become Totally Disabled?

If we determine that you are Totally Disabled and cannot work, your life insurance coverage may continue at no cost. You must meet certain requirements, as detailed in the Certificate.

How does my beneficiary file a death claim?

Your beneficiary(ies) and your employer will complete the appropriate claims forms and submit them to us. We will notify your beneficiaries when the decision is made and if we have any questions. If approved, beneficiaries may elect to receive a lump sum payment or to have the benefit paid into an account where the funds accumulate interest and can be withdrawn at any time. (State restrictions apply and options may vary by state.)
