

Dear valued member,

As part of your employer-sponsored health benefits, Diathrive Health is your new diabetes management provider at no cost to you. As part of your plan you get unlimited access to diabetes testing supplies, insulin pen needles, clinical support from a Certified Diabetes Care and Education Specialist (CDCES), and more completely FREE to you.

You have been automatically enrolled in this benefit. If you believe you have received this in error or do not need these services,

- Contact Diathrive Health to cancel your free employer-sponsored subscription at support@diathrive.com
- Return the kit free of charge by checking the "Return to Sender" box on the priority mail envelope OR donate your supplies to someone in need.

Diathrive Health is dedicated to helping you reach your health goals. We hope you find value in this service which is completely covered by your employer. Please reach out if you have any questions.

Sincerely,
the HMR team
